Last year's Okehampton Show was a resounding success! Good weather, but not too hot, plenty to do and see all around the Showground, excellent shopping and, above all, a wonderful day out at a traditional agricultural show in a truly beautiful location. The livestock, horses and other animals were the stars of the day. From huge Heavy Horses to tiny Miniature Shetlands, cattle & calves, sheep & lambs, pigs & piglets, goats, poultry, rabbits and pigeons every section was bursting with visitors.

Shearing Competition: entry forms will be posted in June to previous entrants where addresses are available – entry forms will also be available on the website in May.

Bluetongue: Exhibitors are reminded that this threat is ongoing and anyone entering stock in the Show will be expected to comply with Defra's current regulations pertaining to this and other disease issues.

Please contact the office for details of membership packages and reserved disabled parking spaces facilities.

I hope you will attend the Show and have an enjoyable and rewarding day with us.
